

## Warranty for U.S

### **Melomania:**

- 1 year warranty on earbuds, batteries and charger
- 6 months extra warranty when registering your product at <https://www.cambridgeaudio.com/gbr/en/register>

### **Electronics, Disc Players, Speakers, TV Speakers and Remotes:**

- 2 years warranty
- U.S customers are able to get an extra year warranty on these products if they register their product on the Cambridge Audio registration site [here](#).

### **Wireless Speakers:**

- 1 year warranty
- U.S customers are also able to get an extra year warranty on these products if they register their product on the Cambridge Audio registration site [here](#).

**Please note:** That Melomania products are not eligible for an extra year of warranty coverage.

**For U.S Customers who purchased from Cambridge Audio directly via our eBay store;**

The warranty is 1 year, with no extension for registering.

### **What is covered by a Cambridge Audio warranty?**

The warranty covers the repair or replacement (at Cambridge Audio's discretion) of your Cambridge Audio product if it is found to be defective due to faulty materials or workmanship within the warranty period.

If any part is no longer available (e.g. particular colour variations), Cambridge Audio will replace it with a functional replacement part. Please be aware that due to the age of some devices this may not always be possible, in which case we will contact you directly to discuss further options.

### **What isn't covered by a Cambridge Audio warranty?**

Cambridge Audio products are engineered and constructed for continual high performance in normal domestic settings. If a Cambridge Audio machine is used in the way it is intended, and it breaks down within the warranty period, it's our responsibility to repair or replace it.

There are, however, some circumstances in which a Cambridge Audio warranty doesn't cover the repair or replacement of a product. These aren't hidden in the small print. Here's what isn't covered:

Above-average wear and tear

Accidental damage

Damage as a result of use not in accordance with the product's power rating.

Damage from external sources such as transit, weather, electrical outages or power surges.

Failures caused by circumstances outside of Cambridge Audio's control.

Faults caused by:

Negligent use, misuse, neglect or careless operation of the machine;

Use of parts not assembled or installed in accordance with the instructions of Cambridge Audio.

Repairs or alterations carried out by parties other than Cambridge Audio or its authorised agents.

### **The terms and conditions of a Cambridge Audio warranty are as follows:**

The warranty becomes effective at the date of purchase (or the date of delivery if this is later).

You must provide proof of purchase before any work can be carried out on your product under the warranty. Please note that without this proof any work carried out will be chargeable. Please keep your purchase receipt.

All work will be carried out by Cambridge Audio or its authorised agents.

Any parts which are replaced will become the property of Cambridge Audio.

The repair or replacement of your machine under warranty will not extend the period of the warranty.

The warranty provides benefits that are additional to and do not affect your statutory rights as a consumer.

### **Where is the Cambridge Audio warranty valid?**

This warranty will only be valid if the product is used in the country in which it was sold.

If you take your product abroad the warranty may be invalidated. However, we will do our best to help you in your new country of residence.

### **Are Cambridge Audio warranties transferable?**

Cambridge Audio warranties are transferable with the product, provided the original proof of purchase from Cambridge Audio is supplied, together with evidence of any change of ownership of the machine, confirming that the machine was in good working order when the change of ownership took place.

### **IMPORTANT:**

**If you purchased from a retailer or dealer please contact them for warranty information.**
