### IMPORTANT NOTE FOR INTERNET PURCHASERS

YOUR FURMAN WARRANTY WILL NOT BE VALID IF YOU PURCHASE A FURMAN PRODUCT FROM AN UNAUTHORIZED AUDIO VIDEO INTERNET DEALER, or if the original serial number has been removed, defaced or modified.

Only authorized dealers provide NEW Furman products — not used or refurbished — and have the training and expertise to assist you in selecting the correct model for your application. They also have the knowledge to correctly answer any questions regarding proper installation and ensure that your Audio Video system is fully protected. Purchase your Furman product from one of our Authorized Online dealers.

Note: Furman products purchased through auction sites DO NOT have a valid warranty.
