## REL Acoustics Warranty Information

### **Authorized Dealer Advisory**

ADVISORY: ONLY SALES FROM REL AUTHORIZED DEALERS INCLUDE MANUFACTURERS WARRANTY

To ensure our customers receive the highest quality guidance and support, backed by our 3-year parts and labor warranty, we have developed a network of Authorized REL Dealers around the world. THESE ARE THE ONLY RETAIL OUTLETS WHERE REL SUBWOOFERS AND ACCESSORIES, BACKED BY OUR WARRANTY ARE SOLD.

Due to REL's ever-increasing popularity, there has been an increase in the offering of REL subwoofers by unauthorized retail outlets and individuals. Because the reselling of REL product by unauthorized resellers voids our 3-year parts and labor warranty, it leaves the buyer of these units exposed to costly repairs caused by mishandling and improper setup.

We advise all of our customers investing in the transformative experience of REL subwoofer ownership to purchase only from authorized dealers. A list of these dealers are available on our dealer locator.

### **Known unauthorized dealers include:**

Audiophile Liquidators

HumanAudio

All eBay Sellers

AV Systems Design

New Audio Video

The Sound Set

NOTE – Reference units (Gibraltar and No. 25) are never available for sale online, even by authorized dealers as they require professional instruction and setup that only a dealer can provide.
